ABOUT ME

My name is Shudipta Biswas, and I am a dedicated data journalist with a passion for uncovering stories through data analysis. I hold a degree in Mass Communication and Journalism from Begum Rokeya University. Originally hailing from the vibrant city of Mymensingh, I am currently residing in Rangpur. My journey has equipped me with strong analytical skills and a keen eye for detail, allowing me to transform complex data into compelling narratives that inform and engage the public.

EXPERIENCE

Data Journalist | Freelance (Current)

- Utilize data analysis tools and techniques to uncover and report on significant stories. Collaborate with various media outlets to publish data-driven articles and reports.
- Conduct in-depth research and analysis to support investigative journalism projects.
- Create visually appealing data visualizations to enhance storytelling and audience engagement.
- Manage multiple projects simultaneously, ensuring timely and accurate delivery of reports.

Data Analyst Intern | News Network (Dates)

- Assisted senior journalists in analyzing large datasets to identify trends and insights.
- Developed interactive dashboards and visualizations for news reports.
- Conducted thorough research to support data-driven stories.
- Presented findings to the editorial team, contributing to editorial decisions.
- Gained hands-on experience with data analysis software and tools.

Research Assistant | University Research Center (Dates)

- Conducted qualitative and quantitative research for academic projects.
- Analyzed survey data and prepared comprehensive reports.
- Assisted in the publication of research papers and articles.
- Collaborated with professors and fellow researchers on various studies.
- Developed strong attention to detail and analytical skills.

Junior Reporter | Local Newspaper (Dates)

- Covered local news stories, including community events, politics, and social issues.
- Conducted interviews and gathered information from various sources.
- Wrote articles and reports that were published in the newspaper.
- Developed strong writing and communication skills. Built a network of contacts within the local community.
